Description

Graffi-Sol is a safe, environmentally friendly, fully biodegradable, non-hazardous and non-flammable liquid graffiti remover for use on Masonry, Metals, Glass & GRP surfaces.

Graffi-Sol has a very low odour and can be safely used in confined and enclosed areas.

Application

Graffi-Sol is used UNDILUTED

Hard Surfaces & General Use:

Apply Graffi-Sol generously to affected areas and allow to work.

Agitate with a brush or abrasive nylon pad working well into graffiti.

Rinse off with plenty of water to neutralise residues. Repeat as necessary.

WARNING. DO NOT use on POLYCARBONATE or similar sensitive plastics

Equipment

Clean Cloths • Clean Water • Nylon Pads • Green Pads
