Description

Graffiti Wipes are our established safe and effective graffiti removers packaged in a new handy wipe format.

Graffiti Wipes are supplied in resealable tubs each containing 150 ready to use wipes

Available in two strengths, general purpose or heavy duty for removing most types of graffiti from most types of surfaces.

Both types of **Graffiti Wipes** have mild pleasant odours and can be safely used in confined and enclosed areas.

Application

Used as supplied – remove from tub and wipe area clean. Reseal tub when not in use. Dispose of contaminated wipes in accordance with local regulations.

WARNING. Do not use BLACK LABEL HEAVY DUTY WIPE on POLYCARBONATE or similar sensitive plastics

Health & Safety

See accompanying Health & Safety Sheets for Activator (general purpose wipe) or Graffi-Sol (heavy duty wipe).
